

Volunteer Position: Food Forest Leader

- monitor food forest for weeds, insect pests
- maintain contact list of interested volunteers; contact them when a work-bee is needed to arrange a date/time
- Attend workbees; get to know plants/show new volunteers around
- communicate with Sudbury Shared Harvest staff when assistance is needed

optional:

- reach out within the neighbourhood/community to recruit new volunteers (Sudbury Shared Harvest has a list of people who are interested and is always trying to recruit more, but your ideas on this are always welcome!)

*****Please note that training will be provided and Sudbury Shared Harvest staff will work with the Food Forest Leader until they are comfortable on their own*****
